

ASPIRE UNI

Undergraduate Application Planner

A structured workbook for first-year and transfer applicants.

A practical planning resource for international students applying to U.S. universities.

Educational resource • Verify current requirements with each institution

1 • Build a balanced college list

Evaluate fit across academics, affordability, admission context, environment, and support—not rankings alone.

College	Academic fit	Cost/aid fit	Why it belongs

List checks

- The list includes institutions with varied levels of admission uncertainty.
- Every college is financially plausible or has a credible funding strategy.
- International-student requirements have been checked officially.
- I would be willing to attend every school on the final list.
